Description

When I was pregnant last year I had an overwhelming craving for Cheetos. There I sat, munching away. When I noticed the most peculiar Cheeto. It was shaped like a penis! This is a very detailed cheeto..looks like a set of meat AND potatoes. I did not want to scan this magnificent Adult snack for fear of crushing. Did my best to get good digital pictures though. I have already showed this to everyone I know so the thrill is gone for me now. But this would be a lovely addition to any Johnson Collection or Cheeto Art if you are in to that. Buyer to pay \$1.60 in shipping. Insurance extra if desired. I have plenty of bubblewrap so I will package it really well to keep the little fellow safe. Mind you, this cheeto is over a year old so some of his cheesiness is fading. Still has a lovely cheddar patina though. Thanks for Looking and Enjoy the auction. Will accept personal checks from bidders with at least 50 Positive feedbacks otherwise Billpoint or Money Orders only please.
